The 16th KOCSEA Technical Symposium

The KOCSEA Technical Symposium 2015 was held at Harvey Mudd College in Claremont, CA, December 10 -11, 2015.

- General Chair: Prof. Eunjee Song (Baylor Univ.)
- Program Chair: Prof. Seon Ho Kim (USC)

The two-day event included two keynote speeches by Dr. Cyrus Shahabi (USC) and Dr. Dave Schrader (Teradata), 24 technical talks, 6 lightning talks, 3 student posters, an award ceremony and a KOCSEA business meeting. The presentations in the keynote and invited talk sessions covered state-of-the-technologies and on-going research topics in the field of computer science and engineering, including bioinformatics, artificial intelligence, security, data analytics, and cyber physical systems and smart grids. The event was co-organized by KOCSEA and KSEA (Korean Scientists and Engineers Association) with generous support from Harvey Mudd College, KUSCO, KISTI, SK Planet, KSEA, Naver, Univ. of Bridgeport, LG Electronics, DENTCA, and Fasoo. KOCSEA

Korean Computer Scientists and Engineers Association in America

About KOCSEA

The Korean Computer Scientists and Engineers Association in America (KOCSEA), founded in 1983, is a non-profit organization of Korean and Korean American computer scientists and engineers in North America. The basic goal of KOCSEA is to "promote communication, information exchange and cooperation among its members and to provide opportunities for them to make contributions to computer-related fields in Korea and U.S." Currently KOCSEA has over 320 members in academia and in industry at various stages in their careers, from undergraduate and graduate students to young professionals and assistant professors, and to senior executives and professors.

Member Benefits

As a KOCSEA member, you will be provided with (1) up-to-date information about new developments and opportunities in the field, and (2) access to a strong network of established and emerging players in computer science and engineering.

Examples of the above include timely announcements of career opportunities, and invitation to various events organized by KOCSEA.

Note: Membership is FREE!

The keynote speech at 2015 KOCSEA technical symposium

News Flash

Every year we award a special scholarship in memory of the late Prof. Moon-Jung Chung, who was one of the KOCSEA founders and did a great service to the organization. The 2015 KOCSEA Moon-Jung Chung Scholarships were awarded to:

- Sungchul Lee (Univ. of Nevada, Las Vegas)
- Hoon Park (Portland State Univ.)
- Jangwon Kim (Univ. of Southern California)

Prof. Chung's family has been making generous contributions for the scholarship during the past ten years and we appreciate their continued support.

In 2015 KOCSEA symposium, best presentation awards were given to

- Dr. TaeHyun Hwang from UT Southwestern (winner for regular talks)
- Dr. Woong-Yeol Joe at Tennessee State University (winner for lightning talks)

Prof. Kyu Hyung Lee (Scholarship Committee Co-Chair), Mr. Sungchul Lee (the first place winner of Moon-Jung Chung Scholarship) and Prof. Juyeon Jo at 2015 KOCSEA technical symposium.
